-----	--

Dear Judge Kuo:

We are writing in regarding to the July 30<sup>th</sup>, 2019 Notice of Electronic Filing we received which appears to publicly disclose Plaintiff and Defendant's relative settlement positions in relation to this matter. The plaintiff sees this as being unhelpful and a breach of the confidentiality with respect to settlement negotiations and the protocols of mediation. Therefore, we respectfully request that this entry in the docket be removed and for the Court schedule a settlement conference pursuant to Local Rule 83.8, Court-Annexed Mediation.

Thank you for your attention.

Respectfully yours,
